Ref 8-9 ant

In continuation of my letter to Government Ref.950-3H., dated 10-7-35 I have the honour to state that the District Medical Officer, South Kanara, reports that the rural dispensary at Hebri, is the nearest medical institution to Albady which is about 7 miles. He however adds that on account of the several streams in the locality, being a forest area, there is no regular communication during all parts of the year. The other nearest dispensary is Shankaranarayana situated at a distance of 10 miles from Albady. It is reported that the rural dispensary at Kirimanjeshwar was

shifted to Albady on 30-4-1935.
